How to Log into *ExpressPass*

Engineering Express Revolutionary Smart Ordering System

1. Visit www.EngineeringExpressPass.com

FOR EXISTING CLIENTS:

We have issued you a Private Member *EXPRESSPASS*

EMAIL ME MY EXISTING CODE

New businesses with repeat-style work in a core department below may apply for an *EXPRESSPASS* membership & request a quote.

NOTE: We are a Business-to-Business company and do not offer memberships to homeowners. Contact us if you feel you may qualify.

Apply For An ExpressPass Membership

Click here to get your code emailed to you if you are an existing client.

KNOW YOUR CODE? TAKE ME TO THE NEW BETA SYSTEM >

If you are a new client, click here to apply for an ExpressPass and receive your code via email.

***Note: As a Signarama Franchisee, when applying for a Membership, you can select the Signage department to see solely signs.**

2. Once you have received your code, click the Gold “Know Your Code” button and enter in your ExpressPass code and hit Submit.

Please Enter Your ExpressPass Code:

Submit

If you are an existing client and don't know your code, [click here](#) and we will email it to you.

START OR REVISE A PROJECT

MY ORDERS & QUOTES

2. Next, you will select in the dropdown what Type of Project Request you have.

SMART ORDER SYSTEM
CUSTOMIZED ENGINEERING REQUESTS
FAST QUOTE TO DELIVERY

Back to dashboard

What Type Of Project Request Do You Have?

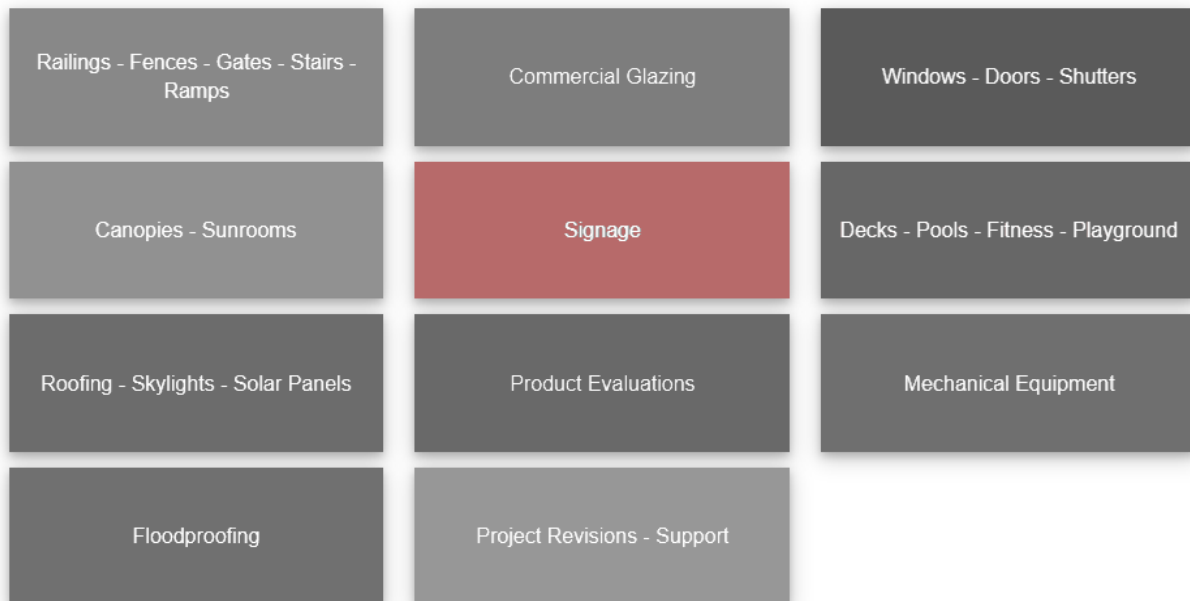

-Type of Project Request-

- Type of Project Request-
- New Project
- New Master Plan Sheet Or Evaluation Report
- Revise Existing Project

Once you have chosen your request type- you will enter in the prompted applicable information it asks you for in order to proceed.

3. Then you will select a category. For Signarama, you will Select the Signage Category.

Next, select a category:

[Don't see the category you're looking for?](#)

4. Then, you will select a Sub-Category. You will either choose a Ground Mounted Sign or a Wall Mounted Sign service. *If you need both, you are still able to select a sub-category and service and then go back and select another if needed.*

Select a Sub Category:

5. Once you select your subcategory, you will then see the applicable Services for that type of Project. For example, within the Signage category and Ground Mounted subcategory, there are multiple services.

PLEASE NOTE: Since you are a Signarama Franchise, you have exclusive Signarama pricing.

6. Select your service within the subcategory.

Select a Service For This Project:

Search for a service here...					
	SKU	Service Name	Scope of Work	Design Fee	Examples
Select	GMS-1476-PU	Signarama-Ground Mounted Sign	<p>permit illustrating design wind forces and foundation information of (1) ground mounted sign. Maximum sign size in base package: Area = 50 sqft and height = 20 ft, as per provided sketch, at (1) location. Review of cabinet/frame is an adjustment to this base service. Valid for post or monument signs</p> <p>NOTE: We also accept <i>Do It Yourself</i> sign engineering from our base templates.</p>	\$250.00	 <p>Click Image for more</p>
Select	GMS-1474-PU	Signarama-Scoreboard-Billboard Engineering	<p>SIGNARAMA ONLY: Provide structural sealed drawing for permit illustrating design wind forces and foundation information of (1) ground mounted sign. Maximum sign size in base package: Area = 100 sqft and height = 20 ft, as per provided sketch, at (1) location. Review of cabinet/frame is an adjustment to this base service. Valid for post or monument signs</p>	\$350.00	 <p>Click Image for more</p>
Select	GMS-1016-PU	Scoreboard-Billboard Engineering	<p>Provide structural sealed drawing for permit illustrating design wind forces and foundation information of (1) ground mounted sign. Information needed to design this service:

CLIENT CHECKLIST

Please submit all details showing the information indicated below:

An "existing" and "proposed" detailed sketch of the sign/flag including all dimensions, the proposed footing type, dimensions, & reinforcement details.

- Show quantity of post(s)
- Show location of post(s)
- Show material & grade of post(s)
- Show size, shape, & thickness of post
- Show size & shape of footing or height from grade and host structure material
- The electrical code required & county specific information
- Any other information you would like listed such as sign color, installation instructions, etc.

To get a sample template or for more information on what to submit, please [click here](#).

8. It will also allow you to select any adjustments, describe your need in detail, attach files and it provides a design checklist along with a template.

9. Once you have filled out all the applicable project information you can scroll down to the bottom and either add another service, save as pending, or you can go straight to the Checkout Page to submit your quote for Engineering Express to review.

MY ORDERS & QUOTES

Click here to view
your Orders &
Quotes

After you go into “My Orders & Quotes” click on the **Projects Tab**.

This is where you will see the status of Projects. You can also click the “Projects Completed” to see a history of your previous projects.

Open Orders All Orders & Pending Orders **Projects** Projects Completed

25 entries

Project Name	Files Link	Project #	Project Status	Due Date
Test Project ExpressPass		19-14995	Awaiting Retainer Payment	

Pay My Invoice

Most likely, your status will be “Awaiting Retainer Payment”. If we are awaiting your payment retainer, that means if your status says this, then **payment needs to be made prior to our core team working on it**. Once payment is received, your project will begin, and the status will change.

You can click the “Pay an Invoice” button right next to that status. Or, you can wait till you receive your invoice and follow those instructions explained on page 11.

160 SW 12TH Avenue, Suite 106 Deerfield Beach, FL33442
954-354-0660 | 866-396-9999
www.EngineeringExpress.com | Team@EngineeringExpress.com

You can always pay at www.engineeringexpress.com/pay

Once payment has been made.

Your project will fully go into production and our core team will begin working on it to make your project come to life. In your Projects tab on your dashboard, your status will change to reflect that.

Open Orders	All Orders & Pending Orders	Projects	Projects Completed
25 entries			
Project Name	Files Link	Project #	Project Status
Test Project ExpressPass		19-14995	Core Team Working On It

Once your project has been completed.

Your project will no longer appear in the Projects tab, but will move into the Projects Completed tab. Here, you will be able to see all completed project history.

Open Orders	All Orders & Pending Orders	Projects	Projects Completed
25 entries			
Project Name	Files Link	Project #	Project Status
Test Project ExpressPass		19-14995	Complete
